SCHOOL REPORT.

FELLOW CITIZENS :

The schools for the past year have been conducted wholly by teachers residing in town and it is no disparagement to any to say that a number have reached a high degree of excellence and are justly classed in the front ranks of instructors in our public schools.

There has been an aggregate of 269 weeks the past year and 229 children have received instruction.

The number returned by the selectmen 201, 110 boys and 91 girls.

There have been 503 visitors beside the school board.

The rate per cent. of taxation for support of schools was .00344.

We are pleased to remark that the high school, (about to close) has been in a high degree successful.

I hereby certify that the above returns are correct, according to the best of my knowledge and belief.

O. J. Chase, Town Clerk.

WE EMPLOY NO AGENTS.

The cost of employing canvassing agents is from 10 to 15 per cent on all of their sales. This we can save the intending purchaser, in quality of work and price, by calling on us.

It is a fact that we have done and are still doing three-fourths of all the MONUMENTAL work in the city of Manchester.

■ ■ ■ ■ WHY ? ■ ■ ■ ■

Because those for whom we have done work recommend us.

Because we are practical workmen ourselves, having learned our trade in a marble shop and granite shed.

Because we give our personal attention to the business in every detail. We use the best material, employ skilled workmen, and do not run our works with apprentice labor.

Because we are up to date in all the modern improvements, having in successful operation machinery run by electric power, for carving, lettering and polishing marble and granite.

Call and see us at 600 & 604 Elm St., cor. Granite.
